Dear valued customer

Our pledge to you-

When you call any Derr Flooring facility during normal business hours the phone will be answered by a live person. You will NEVER have to navigate a confusing and frustrating automated system that often leaves one connected to the wrong person or worse disconnected. Buyers and corporate officers are also available via phone to assist if your call requires information beyond what our highly trained customer service staff can provide.

Your material will be delivered to your jobsite, store, or warehouse by a Derr Flooring Company owned vehicle driven by a certified Derr Flooring operator. All of our drivers are highly trained and most are CDL licensed. Best of all they are DERR FLOORING EMPLOYEES.

Since 1912 Derr Flooring is proud to offer the best products the flooring industry has to offer supported by an experienced and tenured staff of employees that take great pride in the quality service they provide.

Thank You,

The Derr/Holden Families and ALL the employees of Derr Flooring!
